

The Board of Directors' proposal regarding authorization for the Board of Directors to resolve on issue of shares, warrants and/or convertible instruments

The Board of Directors of Byggmax Group AB (publ), corp. reg. no. 556656-3531 (the "**Company**") proposes it be authorized to, with or without deviation from shareholders' preferential rights and on one or several occasions during the period until the next Annual General Meeting, resolve to increase the Company's share capital by issuing new shares, warrants or convertible instruments. The number of shares that such issues may comprise may be equivalent to a maximum of ten percent of the share capital of the Company at the time of the Annual General Meeting 2022.

Any issues with deviation from shareholders' preferential rights shall be conducted under market conditions, subject to issue discounts in line with market practice, and payment may, apart from payment in cash, be made in kind or by set-off or otherwise be coupled with conditions pursuant to the Swedish Companies Act.

Other conditions for issues pursuant to this authorization, including to whom an issue is directed, shall be left for the discretion of the Board of Directors. The purpose of the authorization and the reasons for any deviation from shareholders' preferential rights is to finance acquisitions or otherwise to capitalize the Company in a time- and cost-effective way.

The Managing Director, or any person appointed by the Board of Directors, shall be authorized to make minor amendments to the Annual General Meeting's resolution and to take those measures that are required in connection with the registration of the resolution.

A resolution in accordance with this proposal is valid only where supported by shareholders holding not less than two thirds of both the votes cast and the shares represented at the General Meeting.
