## Byggmax opens in Torslanda in Q2 2013

**The low-price retailer Byggmax opens a store in Torslanda in Gothenburg in Q2 2013. The store will employ five people, and approximately two to three seasonal employees. Byggmax has more than doubled the number of stores in Sweden since 2006. There are currently 63 stores throughout the country. The new store in Torslanda will be situated at Gamla flygplatsvägen 4. The company has previously announced the opening of stores in Karlskoga during the same period of time.**

*- For a long time we have wanted to establish a location in Torslanda, and now we have found a good location for Byggmax, where a lot of people pass. Our stores in Källered, Hisingsbacka, Partille and Sisjön are doing well, so it feels great to be able to open in Torslanda.* Says Tony Johansson, regional manager at Byggmax.

Gamla flygplatsvägen is a good location, with a large space and the opportunity to establish Byggmax's concept. Overall, a retail space of approximately 8000 sqm is necessary, where the retail store and the drive-in occupy the most space. Byggmax's concept is based on offering customers quality products at a low prices, where customers can do a part of the job themselves to keep the costs down. Byggmax in Torslanda will be the fifth store in Gothenburg. Byggmax's experience is that people in Gothenburg are competent DIY-customers and professionals who want quality at a low cost.
