Byggmax was founded in 1993 and currently operates 68 stores in Sweden from Ystad to Luleå. In 2012, the company's sales were approximately SEK 3.1 billion and the company continues to expand vigorously. Byggmax has a further 25 stores in Norway and 12 in Finland, bringing the total number of stores to 105. From the very beginning, Byggmax's business concept has been to be the best and most inexpensive alternative for consumers in need of high-quality construction materials. Byggmax operates a drive-in concept at all its stores, enabling customers to load their products into their vehicles directly.
