Bygghmax opened new store in Katrineholm

Bygghmax opened a new store in Katrineholm this morning. Bygghmax continues to grow and now operates a total of 72 stores in Sweden. The new store is located at Rönngatan.

Bygghmax sells construction materials such as lumber, flooring, dry-wall, cement, windows, doors and paint to both professionals and DIY-customers. The Bygghmax concept offers good quality products at low prices.

A nationwide price survey of the construction industry recently showed that Bygghmax has the cheapest garden shed. The survey, made by [Matvarupriser](#), compared prices for building materials needed to build a garden shed and Bygghmax was the cheapest in all ten cities. Bygghmax is also the construction material retailer that Swedish house owners deem has the lowest prices. According to the "Vi i Villa" house owners panel, conducted in September 2013, 80 % believe that Bygghmax has the lowest prices.

The home improvement discount chain Bygghmax was launched in 1993 and currently has 72 stores in Sweden with net sales of approximately MSEK 3,200 in 2013 and is continuing to expand strongly. Bygghmax also has 27 stores in Norway and 13 in Finland. From the very beginning, Bygghmax's business concept has been to be the best and most inexpensive alternative for consumers in need of high-quality construction materials. Bygghmax has a drive-in system at all its stores, enabling customers to load their products into their vehicles directly. This makes life easy and efficient for customers, particularly when buying heavy construction materials.
